

# India, Uninterrupted

At CMS, we work relentlessly to ensure that every Indian experiences inclusive, accessible, and secure formal banking services across the country. Our logistics and technology solutions connect banks, businesses, retail merchants, and consumers by making transactions seamless and uninterrupted.

We help people access banking services in remote areas by reaching altitudes over

**21,000 ft**

in Ladakh via the Namikala Pass near India's LoC at Kerey village

We facilitate formal banking services through helicopter from Rudraprayag to Guptkashi to Kedarnath temple at

**11,755 ft**

We cover

**10 Lakh kms**

every month across India to power formal banking services for Indian citizens
